Colon Cancer Awareness Saves Unlimited Adult Lives

in memory of helen phillips

c.a.s.u.a.l. (Colon cancer Awareness Saves Unlimited Adult Lives) is a program to raise awareness about colon cancer and the importance of screening and early detection, as well as raise funds and awareness for the Northeast Regional Cancer Institute.

HERE'S HOW YOU CAN GET INVOLVED:

1. Register to be a 2010 Team Captain for your workplace or organization, and enlist a team (or many teams!) to participate. As a Team Captain, you will collect the donations, distribute the pins & T-shirts and advertise the event.
2. Collect \$5 from participants for a colon cancer awareness pin OR \$15 for a colon cancer awareness T-Shirt to be worn on March 25 with c.a.s.u.a.l. clothing, if possible.
3. Dress c.a.s.u.a.l. (as determined by your workplace or organization) on March 25, and SPREAD THE WORD! If you know someone over 50 who has not been screened for colon cancer, tell them to talk to their doctor.
